

OPEN FOR BUSINESS

Self Employment Information, Options and Support for People with an Intellectual disability or Autism Spectrum Disorder

Have you always wanted to be your own boss?

Have you wondered what it takes to start your own business?

Who will help me with running my business?

Now is the time to get those questions answered.

To increase the options available for individuals to enter the labour force, NBACL and the Department of Post-Secondary Education, Training & Labour have developed a project for individuals to explore self-employment. This project is designed to work with great community partners to make self-employment a viable option for persons with an intellectual disability or Autism Spectrum disorder.

Learn about the steps involved in setting up a business and the supports available.

Please join us from 1:30pm - 4:30 pm at the **NBACL Training Room, 800 Hanwell Road, Fredericton on September 21, 2016** to find out more information on this exciting opportunity.
